

London Borough Of Hillingdon

Finance and Resources – Corporate ICT

The council is seeking expressions of interest from suitably experienced and qualified organisations for both the supply of smart cards and card bureau services. Hillingdon require approximately 250k contact-less smartcards issued with four initial services and the capacity for up to 12 in total.

Card specification and bureau service requirements are to be tendered as two separate lots. The supply and production of cards may be issued under separate contracts or both to one supplier. The first bulk issue of cards will be in a quantity of approximately 190K and be mailed out directly to residents in March 2009.

Application for documentation should be made **by email** to
wclark@hillingdon.gov.uk
